Melbana Energy - LGC holds 13.76% interest in Cuban oil explorer Melbana Energy (ASX-MAY). Melbana has 100% interest in the 2,380 km² onshore oil block, Block 9 PSC in Cuba.

Petro Australis Limited - LGC owns approximately 15.4% of Petro Australis Limited (Private). Petro Australis holds a conditional 40% back-in option to the onshore oil block, Block 9 PSC in Cuba.

Cuba Block 9 - Exploration potential of Block 9 recently upgraded by more than 50% to ~12 billion barrels of Oil-in-Place with Prospective Resources of 612 million barrels (unrisked Best Estimate, 100% basis).

Travelwelcome Ltd. and The InCloud9 Group - LGC owns 40%. Travelwelcome provides customized Cuban travel experiences, plus conferences and special events (ex. Cigar & Film Festivals). IC9 does tourism and USA film and documentary production in Cuba.

Rushmans Ltd. - 50/50 Joint Venture. Promoting Cuban sporting opportunities and attracting world class events to the country. Rushmans has managed more than 500 major sporting events in over 30 countries including bringing the FIFA World Cup to South Africa in 2010. Revenues will flow from TV rights, co-production, merchandising and advertising.

Groombridge Trading Corp (GTC) - 50/50 Joint Venture. GTC is a Canadian corporation that holds approvals from the Cuban Ministry of Foreign Trade and Investment and the Ministry of Agriculture and is authorized to trade with other Cuban Government entities. The GTC JV will grow the existing provision of products, machinery and equipment to the Cuban tourism sector. In addition to growing GTC's current trading activities, the GTC JV is developing a series of agricultural projects to increase future exports to Europe and Canada.

Cuba Mountain Coffee (CMC) - LGC owns 10% interest. Late last year CMC signed a Memorandum of Understanding with Nestle's Nespresso. As a result Nespresso have potentially committed to purchase a large proportion of the Cuban coffee resulting from this project. The first coffee is expected to be exported by the end of 2017.
